The protection of your personal data is of particular concern to us. We therefore process your data exclusively on the basis of the legal regulations (DSGVO, TKG 2003). In this data protection information we inform you about the most important aspects of data processing on our website. In addition, we inform you under point 2 about the processing of personal data as well as type, purpose and their use in the company.

1.1. Cookies

Cookies are small text files that are stored by your browser. The cookies enable GIFAS to optimize the website for your needs. You have the right and the ability to decline cookies. You can set your browser so that your consent must be obtained before using a cookie or the use of cookies is generally blocked. In addition, you can delete cookies from the memory of your terminal at any time, provided that it offers such a function. GIFAS points out to you that if you refuse the storage of cookies, which serve for security or user guidance, you must expect that you will not be able to use an electronic service or only to a limited extent and that the user comfort may deteriorate.

1.2. Web analysis and cookies

This website uses the open-source web analysis service Matomo. Matomo uses so-called “cookies”. These are text files that are saved on your computer and that enable your use of the website to be analyzed. For this purpose, the information generated by the cookie about the use of this website is stored on our server. The IP address is anonymized before it is saved. Matomo cookies remain on your device until you delete them. The storage of Matomo cookies is based on Art. 6 Para. 1 lit.f GDPR. The website operator has a legitimate interest in the anonymous analysis of user behavior in order to optimize both its website and its advertising. The information generated by the cookie about the use of this website will not be passed on to third parties. You can prevent the storage of cookies by setting your browser software; accordingly, we would like to point out, however, that in this case you may not be able to use all functions of this website to their full extent. If you do not agree to the storage and use of your data, you can deactivate the storage and use on our website under imprint. In this case, an opt-out cookie is stored in your browser, which prevents Matomo from storing usage data. If you delete your cookies, this means that the Matomo opt-out cookie will also be deleted. The opt-out must be reactivated when you visit our site again. Further information can be found in Matomo's data protection declaration (<https://matomo.org/privacy-policy/>).

Adobe Typekit is a service that enables access to a font library and is provided by Adobe Systems Incorporated, 345 Park Avenue, San Jose, CA 95110-2704, USA (Adobe). When you call up a page, your browser loads the required web fonts into your browser cache in order to display texts and fonts correctly. In the course of providing the Typekit service, no cookies are placed or used to provide the fonts. To provide the Typekit service, Adobe can collect information about the font that is used to identify the website itself and the associated Typekit account. Further information can be found on the information page on data protection at Adobe Typekit (<https://www.adobe.com/privacy/policies/adobe-fonts.html>) and in Adobe's data protection guidelines (<https://www.adobe.com/privacy/policy.html>).

If you visit one of our pages equipped with a YouTube plug-in, a connection to the YouTube servers will be established. The YouTube server is informed which of our pages you have visited. If you are logged into your YouTube account, you enable YouTube to assign your surfing behavior directly to your personal profile. You can prevent this by logging out of your YouTube account. YouTube is used in the interest of an appealing presentation of our online offers. This represents a legitimate interest within the meaning of Art. 6 Para. 1 lit. f GDPR. You can find further information on handling user data in YouTube's data protection declaration (<https://policies.google.com/privacy?hl=en&gl=en>).
